small town terrors livingstonBought it in the bundle, and well worth it, even at full price.. This was a mixed bag There were things I liked, as others have said, like the health system, however:Pros+ Good level of difficulty for hidden object scenes+ Complicated scene interactionsCons- No voice acting- low graphics quality - including no full-screen mode- Short with no bonus material (took me under 3 hours)- Map serves no purpose as cannot fast travel and locations not labelledOnly worth playing if you get on major sale.. Bit by bit, piece together what happened in this terrifying tale Search for your family; uncover the horror that has corrupted nearly every living thing and fight to escape with your life..
